

Shiftz Employee App		
Launch Screen	1	Title should be - Shiftz Logo On Demand Workforce Hospitality
Introductory Pages	1	Title - Choice of Work Write up - Choose from multiple work categories
	2	Title - Instant Payments Write up - Get instant payouts post shift completion
	3	Title - Work Life Balance Write up - Work where you want, when you want & how much you want
Login Screen	1	Instead of the title Hotel Staff, Title Should be 'Welcome to the new way of working'  Move the icons lower  Need Better images/vectors for the following categories: (Pls get approval for the same)  Change all categories to the following 5 categories Waiters Housekeeping staff Bartenders Chefs Bakers
Sign Up Screen	1	Instead of the title Hotel Staff, Title Should be 'Welcome to the new way of working'  Need Better images/vectors for the following categories: (Pls get approval for the same)  Change all categories to the following 5 categories Waiters Housekeeping staff Bartenders Chefs Bakers
	2	Put the same Terms and Condition and Privacy policy as Avenue Growth/Right Buy and change the name to shiftz
	3	Location is asked at the time of login in and not sign up, how is this working, can it be one time and changed on request or will it be asked everytime on login?
	4	After signing in, the app instead of taking the user to the main page is asking him to login again, needs to be fixed
Post login	1	In my profile section add two pages
	1a	Experience, Ask for  Name of the company/Hotel: Worked as: Years of experience:  Also give option to add more entries like the above, if the person has worked in multiple organisations
	1b	KYC Page, Ask for Name Bank Name Branch Account Number IFSC Code Adhar Card Number PAN CARD Number Medical Certificate Police Verification  Option to upload copies/photos of Adhar Card, Pan card, Medical Certificate and police verification
